Instructions for downloading and installing the Library Help package can be found at:

http://edtech.mst.edu/support/blackboard9-1/packagedownload/
After the package has been uploaded into the course, the course menu should look something like the following (actual course menu will vary based on how much the instructor has modified the menu from the default).
Clicking on the Library Help button will take you to the Library Help content area, which will look like this:

- **Library How-to Videos**
  - Short videos on How To:
    - Use Interlibrary Loan
    - Find a Journal Article
    - Use Library Databases
    - Library Reserve

- **Curtis Laws Wilson Library Home Page**
  - The above link will take you to the home page of Missouri S&T's library.

- **Circulation Services at Missouri S&T**
  - Do you need to know how to request a book through MERLIN or MOBIUS? Do you even know what MERLIN and MOBIUS are? Do you know the rules for borrowing a book? You find all of this information on the library's website. You will also find a map of the library building on campus.
