The Netiquette package contains a number of useful resources for students and instructors. Instructors who find the resources below helpful and would like to contribute to these resources can contact EdTech. We will gladly work with instructors to expand these resources.

**Netiquette**

Contains the following information:

- [ Video ] Social Media Netiquette
- [ Web Link ] The Rules of Netiquette
- [ Web Link ] Netiquette Home Page
- [ Web Link ] Netdictionary

Instructions for downloading and installing the Netiquette package can be found at:

http://edtech.mst.edu/support/blackboard9-1/packagedownload/

After the package has been uploaded into the course, the course menu should look something like the following (actual course menu will vary based on how much the instructor has modified the menu from the default).
Clicking on the Netiquette button will take you to the Netiquette content area, which will look like this:

**Netiquette**: 1. Derived from the words network and etiquette, it is the social code of network communication. 2. The social and moral code of the internet based on the human condition and Golden Rule of Netiquette. 3. A philosophy of effective internet communication that utilizes common conventions and norms as a guide for rules and standards.
